

# Silicone Sealant

- ✓ 100% Silicone Sealant/Adhesive
- ✓ Maintains Durability & Flexibility
- ✓ Weather Resistant

NET 10.2 Fl. Oz. (305 ml)

**ColorFast Silicone Sealant** is a one-part, 100% silicone sealant which cures to a strong, silicone rubber that maintains long-term durability, flexibility and resistance to weathering. Fully cured, ColorFast Silicone Sealant has excellent adhesion to glass, metal, ceramic, wood, most plastics and many other non-porous substrates. Painting over sealant is not recommended.

## DIRECTIONS

1. All surfaces must be clean and dry.
2. Cut spout to desired bead thickness.
3. Use caulking gun to apply sealant.
4. Tool sealant within 5 minutes of application.
5. Excess may be cleaned up with a dry paper towel before sealant fully cures.
6. Dry sealant may be trimmed with a sharp blade.

Sealant will "skin" in 10 minutes and fully cure in 24 hours.

Store in a cool, dry place. Keep from freezing.

**WARNING:** Avoid eye and skin contact. Avoid breathing vapors, use adequate ventilation. IN CASE OF EYE CONTACT, flush eyes with water for 15 minutes. Call a physician. IN CASE OF SKIN CONTACT, wipe and flush with water. Call a physician if irritation persists.

IN CASE OF INHALATION, expose to fresh air.

**KEEP OUT OF REACH OF CHILDREN**

## NOTICE TO PURCHASER

Manufacturers liability for damages hereunder shall not exceed the purchase price of the goods used. Manufacturer warrants only that the goods will be free from defects in the material. The foregoing warranty is in lieu of all other warranties, express or implied, including those of merchantability or fitness for any other purpose not expressly set forth herein. No liability is assumed by manufacturer except as expressly stated herein. In no event shall manufacturer be responsible for incidental or consequential damages from use of or in connection with the use of this product by user, buyer's user, or any other person.
